IN COMMEMORATION OF WOMEN'S
HISTORY MONTH

HON. AL GREEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 12, 2008

Mr. AL GREEN of Texas. Madam Speaker, I wish to commemorate the month of March 2008 as Women's History Month in honor of the female trailblazers and unsung heroes in American history.

Historically, women have contributed significantly to the greatness of our Nation. American women from diverse origins have transformed and revolutionized politics, law, business, social service, civil rights, education, music, athletics, science and technology, as well as the military. Together, their dedication, perseverance and courage has generated a wave of opportunities for entire generations of women. The contributions of notable women such as Susan B. Anthony, Clara Barton, Harriet Tubman, Dorothy Height, Coretta Scott King, Sally Ride and many others have sparked an unstoppable momentum for women's rights and others.

In government, trailblazers such as Hattie Wyatt Caraway, the first woman elected to the U.S. Senate (1932), and Jeannette Rankin, the first woman in Congress (1917), paved the way for 16 female Senators and 70 female Representatives to be elected to the 110th Congress, which is the highest number ever in congressional history. More importantly, the House of Representatives elected Nancy Pelosi, the first woman to serve as the third most powerful official in America. In the legal sector, women such as Arabella Mansfield Babb, the first woman admitted to the bar (1869), and Belva Ann Lockwood, the first woman to practice law before the U.S. Supreme Court (1879), have opened doors for women to enter the professional workforce as legal experts. Similarly, Lucy Brewer, the first woman marine (1812), inspired her predecessors to defend their Nation with pride and valor.
